Priya Namdeo
(Company Secretary)
Membership Number: A50205
Place: Raipur Chhattisgarh
Date: August 28, 2025

NOTES:

1. The explanatory statement pursuant to the provisions of Section 102(1) and other applicable provisions of the Act read with the Rules made thereunder, setting out all material facts relating to the proposed resolutions, in respect of Special Business(s) to be transacted at the 21st AGM and additional information as required under the Act, Regulation 36 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) and Secretarial Standard-2, are annexed hereto.
2. Pursuant to General Circular Nos. 14/2020 dated April 08, 2020, 17/2020 dated April 13, 2020, 20/2020 dated May 05, 2022, 09/2023 dated September 25, 2023, 09/2024 dated September 19, 2024 and other circulars issued by the Ministry of Corporate Affairs ('MCA'), Regulation 44 of the SEBI Listing Regulations read with the Securities and Exchange Board of India ('SEBI') Circular Nos. SEBI/HO/CFD/CMD1/ CIR/P/2020/79 dated May 12, 2020, SEBI/HO/CFD/CFDPoD-2/P/CIR/2023/167 dated October 07, 2023 and Circular No. SEBI/HO/CFD/CFDPoD-2/P/CIR/2024/133 dated October 03, 2024, respectively (collectively referred to as 'Circulars'), companies are permitted to hold the 21st AGM through video conferencing ("VC") or other audio-visual means ("OAVM"), without the physical presence of the Members at a common venue. Accordingly, the 21st AGM of the Company will be convened through VC/ OAVM in compliance with the provisions of the Act and Rules made thereunder, the SEBI Listing Regulations read with the aforesaid Circulars.

The deemed venue for the 21st AGM shall be the Registered Office of the Company i.e. First Floor, Plot No. 63 and 66, PH No. 113, Jalvihar Colony, Mother Teresa Ward No. 43, Raipur, Chhattisgarh 492001.

3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the 21st AGM through VC / OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Act.
5. The Members will be able to attend the 21st AGM through VC /OAVM by following instructions detailed in 'Attendance and E-voting' section. The procedure for participating in the meeting through VC / OAVM is explained in the notes below.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at info@vrajtmt.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and the AGM Notice is also

available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.

7. The Company has engaged the services of National Securities Depository Limited (NSDL) as the agency to provide e-voting facility.
8. In terms of the MCA and SEBI Circulars, since the physical attendance of the Members has been dispensed with, there is no requirement for appointment of proxies. Hence, the proxy form and attendance slip are not annexed to this Notice. However, in pursuance to Section 112 and Section 113 of the Act, representatives of the Members may be appointed for the purpose of voting through remote e-voting and / or for participation in the 21st AGM through VC/OAVM facility and e-voting during the 21st AGM.
9. Since the AGM will be held through VC/OAVM facility, the Route Map is not annexed to the Notice.
10. The Board of Directors of the Company have appointed Abhishek Jain & Associates, Practicing Company Secretary (C.P No. 14857 & M.N. F12714) Raipur, as Scrutinizer to scrutinize the e-voting process, and vote casted through remote e-voting and voting at the meeting, in a fair and transparent manner. Members may note that the Scrutinizer will provide consolidated report for the votes casted through remote e-voting and e-voting at the meeting. The Scrutinizer's decision on the validity of the vote shall be final.
11. The Scrutinizer shall submit her/his report, after the completion of scrutiny, to the Chairman of the Company or the Company Secretary & Compliance Officer, as authorised by the Board, who shall countersign the same. The results of remote e-voting will be announced on or before Saturday, September 27, 2025 and will be displayed on the Company's website at www.vrajtmt.in and on the website of NSDL website of the NSE and BSE at www.nseindia.com and www.bseindia.com respectively.
12. The results of remote e-voting will simultaneously be intimated to the Stock Exchanges where the Equity Shares of the Company are listed and will also be displayed at the Registered Office of the Company. Subject to the receipt of requisite number of votes, the Resolutions shall be deemed to be passed on the date of the AGM.
13. Institutional/Corporate Shareholders (i.e., other than Individuals/HUF,NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or Governing Body Resolution/ Authority Letter etc., with attested specimen signature of duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by email to ajain7008@gmail.com with a copy marked to the Company at info@vrajtmt.in.
14. Statutory Registers and relevant documents referred in this Notice and explanatory statement, are available for electronic inspection at the Registered Office of the Company on all working days from the date of circulation of this Notice upto the date of the AGM and during the meeting. Members seeking to inspect such documents may send their requests to info@vrajtmt.in mentioning his/her/ its folio number /DPID and Client ID.
15. Only a person, whose name is recorded in the Register of Members and/or register of Beneficial Owners, as on Thursday, September 18, 2025, ("Cut-off Date"), maintained by the Depositories, shall be entitled to participate in the remote e-voting or e-voting during the AGM. The voting rights of Members shall be in

proportion to the equity shares held by the Members in the paid-up equity share capital of the Company as on Cut-off Date. A person who is not a member as on the Cut-off Date, should treat this Notice for the information purpose only.

16. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
17. Pursuant to the provisions of Sections 108, 110 and other applicable provisions of the Act read with the Rules made thereunder, MCA Circulars, Regulation 44 of the SEBI Listing Regulations, Secretarial Standard-2 and any amendments thereto, the Company is providing the facility to the Members to exercise their right to vote on the proposed resolutions electronically. The instructions for remote e-voting are provided as part of this Notice.
18. The remote e-voting period shall commence at 9:00 a.m. (IST) on Monday, September 22, 2025, and end on Wednesday, September 24, 2025 at 5:00 p.m. (IST). The Members desiring to exercise their vote should cast their vote during this period. The remote e-voting will not be allowed beyond the abovementioned date and time and the e-voting module shall be disabled upon expiry of aforesaid period. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently.
19. The Members who wish to complete e-voting and attend the AGM shall login as per the instructions given in this Notice.
20. Those Members who have joined the AGM and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM. Those Members who have voted through remote e-voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
21. The e-voting Event No. for this purpose is “**136274**”.
22. The instructions for members for Remote E-Voting and E-Voting during AGM and Joining Meeting through VC/OAVM are as under in Annexure A.

Membership Number: A50205
Place: Raipur Chhattisgarh
Date: August 28, 2025

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013
SETTING OUT ALL MATERIAL FACTS RELATING TO THE SPECIAL BUSINESS:**Item No. 3: Ratify remuneration payable to the Cost Auditor:**

Pursuant to Section 148 read with Rule 3 and 4 of Companies (Cost Records and Audit) Rules, 2014 and Companies (Cost Records and Audit) Amendment Rules, 2014 The Board on the recommendation of the Audit Committee had approved the appointment and remuneration of M/s. Sanat Joshi & Associates, Cost Accountants (Firm Registration. No.:000506) as the Cost Auditors of the company to conduct the audit of the company's cost record relating to the Sponge Iron, MS Billet, Re-rolled Product and Production of Electrical Energy, for the financial year ending March 31, 2026 at a remuneration of Rs. 60,000 (Rupees Sixty Thousand Only) P.A., plus applicable taxes and out of pocket expenses.

In accordance with the provisions of Section 148 of the Act read with rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor is required to be ratified by the Members of the Company Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 3 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending March 31, 2026.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution except to the extent of their shareholding, if any, in the Company.

The Board of Directors hereby recommends passing of the resolution as set out in Item No. 3 of the Notice for the approval of the Members as an Ordinary Resolution.

Item No 4: Appoint of M/s Nitin Agrawal & Co. as Secretarial Auditor:

Pursuant to the provisions of Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') as amended, SEBI circular no. SEBI/HO/CFD/CFDPoD-2/CIR/P/2024/185 dated December 31, 2024 and the provisions of Section 204 of the Companies Act, 2013 ("the Act") read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board of Directors at their meeting held Secretaries (C.P. No. 11931 & M.N. F9684), as the Secretarial Auditors of the Company for a term of 5 (Five) consecutive years, to conduct the Secretarial Audit of the Company, commencing from Financial Year 2025-26 till Financial Year 2029-30, on following terms and conditions:

a) Term of appointment: 5 (Five) consecutive years commencing from the Financial Year 2025-26.

b) Proposed Fees: Rs. 1,00,000/- (Rupees One Lakh Only/-) excluding applicable taxes and other out-of-pocket expenses for conducting secretarial audit of Financial Year 2025-26 and as may be mutually agreed between the Board and the Secretarial Auditors for subsequent years. Additional other permissible professional services will be determined separately by the Board in consultation with the Secretarial Auditors.

The proposed fees are based on knowledge, expertise, industry experience, time and efforts required to be put in by them, which is in line with the industry benchmark.

c) Basis of recommendations: The recommendations are based on the fulfilment of the eligibility criteria & qualification prescribed under the Act read with the Rules made thereunder and the SEBI Listing Regulations with regard to the full-time partners, secretarial audit, experience of the firm, capability, independent assessment, audit experience and also based on the evaluation of the quality of audit work done by them in the past.

d) Brief Profile: M/s. Nitin Agrawal & Co., Practicing Company Secretary, Raipur is the sole proprietorship firm, he is a fellow member of ICSI and graduated from B Com, and Post graduated from MBA having experience of more than 13 year in practice in Company law, NCLT, SEBI regulations and other related matter in the Company. The firm is peer reviewed in terms of the peer review guidelines issued by the Institute of Company Secretaries of India.

No order has been passed by ICSI/SEBI/MCA/any other competent authority/Court, both in India or outside India, in past 5 years against the proposed Secretarial Auditors. M/s. Nitin Agrawal & Co. did not have any association with the Company except as Secretarial Auditors, its associate company and any of the Promoter or Promoter Group entities during the last three Financial Years.

M/s. Nitin Agrawal & Co, Company Secretary has consented to act as Secretarial Auditors of the Company and confirmed that their aforesaid appointment (if made) would be within the prescribed limits under the Act read with the Rules made thereunder and SEBI Listing Regulations. They have also confirmed that they are not disqualified to be appointed as Secretarial Auditors in terms of the provisions of the Act, the Rules made thereunder and SEBI Listing Regulations.

The appointment of a Secretarial Auditor for a continuous five-year term by the Board is subject to approval of the shareholders, in accordance with the above SEBI regulations.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution except to the extent of their shareholding, if any, in the Company.

The Board of Directors hereby recommends passing of this resolution as set out in Item No. 4 of the Notice for the approval of the Members as an Ordinary Resolution.

Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.com or call at 022 - 4886 7000
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cDSLindia.com or contact at toll free no. 1800-21-09911

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section.

3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:

- If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- If you are using NSDL e-Voting system for the first time, you will need to retrieve the ‘initial password’ which was communicated to you. Once you retrieve your ‘initial password’, you need to enter the ‘initial password’ and the system will force you to change your password.
- How to retrieve your ‘initial password’?
 - If your email ID is registered in your demat account or with the company, your ‘initial password’ is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your ‘User ID’ and your ‘initial password’.
 - If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered**.

6. If you are unable to retrieve or have not received the “Initial password” or have forgotten your password:
 - a) Click on “**Forgot User Details/Password?**”(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **Physical User Reset Password?** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
8. Now, you will have to click on “Login” button.
9. After you click on the “Login” button, Home page of e-Voting will open.

STEP 2: CAST YOUR VOTE ELECTRONICALLY AND JOIN GENERAL MEETING ON NSDL E-VOTING SYSTEM.**How to cast your vote electronically and join General Meeting on NSDL e-Voting system?**

1. After successful login at Step 1, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select “EVEN” of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on “VC/OAVM” link placed under “Join Meeting”.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
5. Upon confirmation, the message “Vote cast successfully” will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to ajain7008@gmail.com with a copy marked to evoting@nsdl.com. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "[Forgot User Details/Password?](#)" or "[Physical User Reset Password?](#)" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on.: 022 - 4886 7000 or send a request to Mr. Pritam Dutta, Assistant Manager at pritam@nsdl.com / evoting@nsdl.com.

PROCESS FOR THOSE SHAREHOLDERS WHOSE EMAIL IDS ARE NOT REGISTERED WITH THE DEPOSITORIES FOR PROCURING USER ID AND PASSWORD AND REGISTRATION OF E MAIL IDS FOR E-VOTING FOR THE RESOLUTIONS SET OUT IN THIS NOTICE:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) by email to info@vrajtmt.in

4.	Contribution in Rural Area	Rural Development	Bilaspur and Raipur Chhattisgarh	Rs. 1.43	Rs. 1.43	Direct

(b) Amount spent in Administrative Overheads: NIL
 (c) Amount spent on Impact Assessment, if applicable: NA
 (d) Total amount spent for the Financial Year Rs. 9.02 million
 (e) CSR amount spent or unspent for the financial year: Rs. 2.90 million

Total Amount Spent for the Financial Year (Rs. in million)	Amount Unspent (in Rs.) 2.90 million				
	Total Amount transferred to Unspent CSR Accounts per section 135 (6)		Amount transferred to any fund specified under Schedule VII as per second proviso to section 135(5)		
	Amount	Date of Transfer	Name of the Fund	Amount	Date of Transfer
Rs. 9.02	NIL	NA	Fund as specified in the Schedule of Companies Act, 2013	2.90 million	To be transfer on or before 30.09.2025

(f) Excess amount for set off, if any: NIL

Sr. No.	PARTICULARS	(Rs in million)
1	Two percent of average net profit of the Company as per Section 135(5)	11.92
2	Unspent amount of previous year	Nil
3	Total amount spent for the Financial Year	9.02
4	Excess amount spent for the financial year	Nil
5	Surplus arising out of the CSR projects or programmes or activities of the previous financial years, if any	Nil
6	Amount available for set off in succeeding financial years [(iii)-(iv)]	Nil

7. DETAILS OF UNSPENT CSR AMOUNT FOR THE PRECEDING THREE FINANCIAL YEARS:

Sl. No.	Preceding Financial Year(s)	Amount transferred to Unspent CSR Account under sub - section (6) of Section 135 (in Rs.)	Balance Amount in Unspent CSR Account under sub- section (6) of Section 135 (in Rs.)	Amount Spent in the Financial Year (in Rs.)	Amount transferred to a Fund as specified under Schedule VII as per second proviso to sub- section (5) of Section 135, if any		Amount remaining to be spent in succeeding Financial Years (in Rs.)	Deficiency, if any
					Amount (Rs.)	Date of transfer		
1	2023-24							
2	2022-23							
3	2021-22							

8. IN CASE OF CREATION OR ACQUISITION OF CAPITAL ASSET, FURNISH THE DETAILS RELATING TO THE ASSET SO CREATED OR ACQUIRED THROUGH CSR SPENT IN THE FINANCIAL YEAR (ASSET-WISE DETAILS):

(a) Date of creation or acquisition of the capital asset(s): NA

(b) Amount of CSR spent for creation or acquisition of capital asset: NA

(c) Details of the entity or public authority or beneficiary under whose name such capital asset is registered, their address etc.: NA

(d) Provide details of the capital asset(s) created or acquired (including complete address and location of the capital asset): NA

Sr. No.	Short particulars of the property or asset(s) [including complete address and location of the property]	Pin code of the property or asset (s)	Date of creation	Amount of CSR amount spent	Details of entity/ Authority / beneficiary of the registered owner		
					CSR Registration Number, if applicable	Name	Registered address
Not Applicable							

9. SPECIFY THE REASON(S), IF THE COMPANY HAS FAILED TO SPEND TWO PER CENT OF THE AVERAGE NET PROFIT AS PER SECTION 135(5):

During the F.Y. 2024-25 the Company had total obligation of Rs. 11.92 million out of this the Company had spent Rs. 9.02 million on the CSR activities and Rs. 2.90 million is remained unspent during the financial year 2024-25 due to non-availability of suitable projects meeting the CSR objectives within the remaining financial year period.

In compliance with the proviso to sub section (5) of section 135 of the Companies Act, 2013 the Company shall deposit the unspent amount of Rs. Rs. 2.90 million to the Fund as specified in the Schedule of Companies Act, 2013 on or before 30th September, 2025.

ANNEXURE- IV**MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

The objective of this report is to convey the Management's perspective on the external environment and steel industry, as well as strategy, operating and financial performance, material developments in human resources and industrial relations, risks and opportunities and internal control systems and their adequacy in the Company during Financial Year 2024-25. This Report should be read in conjunction with the Company's financial statements, the schedules and notes thereto and other information included elsewhere in the Integrated Report and Annual Accounts 2024-25. The Company's financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') complying with the requirements of the Companies Act, 2013, as amended and in terms of the Regulation 34(2)(e) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management of Vraj Iron and Steel Limited presents its Analysis Report covering the performance and outlook of the Company.

1. INDUSTRY STRUCTURE AND DEVELOPMENT**GLOBAL ECONOMY:**

In 2024, the global economy grew at a rate of 2.8%, with regional disparities. Notwithstanding positive trends like reducing inflation and monetary easing in several countries, geopolitical risks around trade policy uncertainty, and ongoing conflicts continued to weigh on global economic sentiment. This indicates a stagnant growth rate, with the economy. While there is a reducing intensity in tariffs globally, developments in this area including trade agreement between major blocks like United States of America, United Kingdom, European Union, China among others, and a ceasefire deal between Russia and Ukraine will be key factors impacting the economic activities.

The World Bank and OECD both forecast a global growth rate of around 2.9% for 2025, The tension around trade and high levels of policy uncertainty are expected to have a significant impact on the economic activity. Worldwide inflation is expected to be moderate. While advanced economies are likely to contain inflation more effectively than developing markets, rise in protectionism and geopolitical tensions around trade will significantly impact prices of domestic products specially in US. Inflation rate in the Service Industry will remain higher than the pre pandemic in the country like US and Europe Country. The Monetary policy remains same in this cycle, while fiscal policy of advance economy like US and Europe is expected to be strict in 2025. The growth rate of US is projected to be upto 2% supported by demand and supply with financial strength.

In 2024, Europe ('EU') registered a growth rate of 0.8% supported by monetary easing by European Central Bank. Economic activity in EU is projected to remain flat in 2025, before showing modest recovery in 2026. As per IMF, recovery will be largely driven by improvement in domestic demand along with rising wages. The United Kingdom ('UK') is expected to register a stable GDP growth of 1.0% in 2025, aided by gradual interest rate declines, steady real income growth, and improving consumer confidence. However, elevated geopolitical uncertainties and structural constraints, such as low productivity and an aging population, will continue to pose challenges for Europe and UK. The Chinese economy continued to grow in 2024, witnessing a growth rate of 5%. Growth is projected to remain stable at 4.5% in 2025 and 2026, though overcapacity, sluggish domestic demand, and structural challenges in the property market remain as concerns. Outcome of government's stimulus on domestic consumption, US - China trade discussions, and export performance will impact the industrial output of China and would be the key watchpoints in 2025. Fuel prices are expected to decline by 7.9% in 2025, driven by weak Chinese demand and strong non-OPEC+ oil supply, although gas prices may rise due to supply

disruptions. Non-fuel commodity prices are expected to increase by 4.4% in 2025. Meanwhile, global trade volumes are projected to be slightly lower in 2025 and 2026, owing to heightened trade policy uncertainty.

INDIAN ECONOMY:

The economy of India is a developing mixed economy with a prominent public sector in strategic sectors. It is the world's fourth-largest economy by nominal GDP and the third-largest by purchasing power parity; on a per capita income basis. The growth of Indian economy led successive by the governments followed the Soviet model and promoted protectionist economic policies, with extensive Sovietization, state intervention, demand-side economics, natural resources, bureaucrat-driven enterprises and economic regulation.

Nearly 70% of India's GDP is driven by domestic consumption; the country remains the world's fourth-largest consumer market. Aside private consumption, India's GDP is also fueled by government spending, investments, and exports the government's strategic focus on infrastructure development, digital transformation, and inclusive growth played a pivotal role in sustaining economic momentum. This period also saw significant policy reforms aimed at boosting investment, enhancing productivity, and ensuring sustainable development. The Indian economy is demonstrated growth at 6.4% for the F.Y. 2024-25, driven by strong domestic demand, government spending on infrastructure, and a recovery in private investment.

Inflation is projected to moderate and be in the range of 4.0–4.5% in the following year, mainly supported by favorable food price trends. Principally inflation on goods and services has remained stable, while fuel prices have declined. The moderation in inflation has enabled the Reserve Bank of India to adopt a more accommodative stance, with interest rate cuts anticipated to stimulate consumer spending and credit growth. Foreign Portfolio Investment volatility is expected to subside, while softening crude oil prices will likely support exchange rate stability.

On the sectoral front, the services sector has demonstrated resilience, with financial services, real estate, professional services, public administration, and defense driving growth. Exports in the services sector have also recorded strong performance. Construction activities and utility services have supported industrial growth, while high value - added manufacturing exports—particularly in electronics, semiconductors, and pharmaceuticals—have shown robust momentum. Agricultural production has remained strong, underpinning rural consumption, and contributing to steady economic activity in rural markets.

The Indian Government focused on fiscal consolidation, employment generation, and boosting capital investment. The share of capital expenditure in central government spending has continued to rise, playing a critical role in industrial and infrastructure development. Increased capital outlays on infrastructure and asset creation are expected to generate growth multipliers. The PLI scheme has successfully attracted investments and stimulated production across various industries. The Government is exploring further sectoral expansion to enhance domestic manufacturing and develop labor-intensive industries.

Despite India's strong economic momentum, certain downside risks persist. Towards the end of 2024, economic activity moderated due to weaker private and foreign investment flows, impacting industrial output. The rupee's depreciation, coupled with uncertainties surrounding cross border conflicts, global trade policies and supply chain disruptions, could pose a few challenges.

Overall, India's economic outlook remains balanced for the FY 2026, driven by strong domestic demand, policy support, and sectoral resilience. By leveraging its domestic strengths and implementing strategic reforms, India

is well-positioned to navigate global challenges and maintain its trajectory as a leading global economic powerhouse.

GLOBAL STEEL INDUSTRY:

The Global Steel Industry in 2024 faces a mixed outlook with potential for both growth and challenges. While some regions are expected to experience modest demand growth, others are facing a slowdown, and the overall market is projected to be impacted by overcapacity and fluctuating prices, as global manufacturing activity remained subdued due to low household and business confidence, leading to cautious spending and investment. High input costs, geopolitical uncertainty, and tighter financing conditions have delayed capital investments. The lingering effects of inflation have further eroded purchasing power and consumer sentiment. Additionally, weak housing construction in major markets such as China, the United States, Europe, and Japan has adversely impacted steel demand. The automotive sector, a major consumer of steel, also experienced slowdown in 2024. However, investment in manufacturing facilities and public infrastructure provided some support to global steel demand. Sustained capital expenditure in these areas by major economies played a key role in offsetting weaker demand from traditional sectors. While steel demand weakened in China and most developed economies, developing economies like India have demonstrated resilience. Steel demand in the developing world excluding China grew by around 3.5% in 2024, while the developed economies witnessed approximately 2% decline in steel demand in 2024. Exports from China to the rest of the World were at their highest level since 2016, at 111 MT as domestic demand for steel in China decreased significantly, whereas the decline in production was moderate. The high exports from China have resulted in protectionist measures by different countries. Imports into the EU increased from 25.6 MT in 2023 to 27.4 MT in 2024. In India, the imports from China stood at 2.83 million tonnes in FY2024-25, around 12% higher than the previous year.

Global steel demand is projected to grow by 1.2% in 2025, reaching ~1,770 million tonnes. After three consecutive years of decline, steel demand is expected to recover globally (excluding China) in 2025. A stable global economic outlook, coupled with improving financing conditions and real income growth in major economies, is expected to support recovery in private consumption and investments before the tariff impositions. Additionally, a significant recovery in residential construction is also anticipated from 2025 onward, supported by easing financing conditions. However, the tariffs imposed by US administration and reciprocal tariffs by countries has led to increased uncertainty in demand-supply balance and continues to be a major risk to the steel industry. At a regional level, the downturn in China's real estate sector is expected to persist, leading to a 3% decline in steel demand in 2024, followed by an additional 1% decline expected in 2025. However, government intervention and economic support measures could help stabilise demand.

In Developing Economies (excluding China), steel demand grew by 3.5% in 2024 and is expected to further accelerate to 4.2% in 2025. Emerging economies in the MENA and ASEAN regions are expected to rebound after experiencing a significant slowdown in 2022 and 2023. In Developed Economies, steel demand declined by around 2% in 2024, with major steel consuming nations—including the United States, Japan, South Korea, and Germany—experiencing contractions. However, demand is expected to recover by 1.9% in 2025, driven by improving economic conditions. In Europe, apparent steel consumption experienced another drop of 2.3% in 2024. Output growth in the steel-using sectors is expected to remain low in 2025 due to continued low investments following from the high interest rates. In 2025, apparent steel consumption is projected to recover at a gradual pace of 2.2%, based on a positive industrial outlook and easing global tensions, though they are unpredictable now.

India is the second-largest steel producer in the world, India's finished steel consumption stood at 119.17 MT in FY23, 138.5 MT in FY24 and in FY25 it will grow by. India's domestic steel demand is estimated to grow by 9-10% in FY25 as per ICRA.

The Indian steel sector growth over the years has been attributed to the domestic availability of raw materials such as iron ore and cost-effective labour. Also, the industry has benefitted from domestic demands in sectors such as construction, real estate, and automobiles.

DOMESTIC STEEL INDUSTRY:

The Indian steel industry has experienced strong growth, driven by rising domestic consumption, which increased by 11% during April-December 2024–25 provisionally as compared to the same period last year. However, India remained a net importer of finished steel during this period, with imports rising by 23% while exports declined by 25%. On the global stage, India is the second-largest producer of crude steel and the second largest consumer of finished steel in 2024, according to provisional rankings from world steel. It is projected to retain its position as the second-largest consumer of finished steel in 2025, as per world steel's Short-Range Outlook. Budget 2025 introduces key measures focusing on Agriculture, MSMEs, Investment, and Exports as the four pillars of economic growth. These initiatives are expected to significantly benefit the domestic steel industry through multiple channels, to create further opportunities for the steel industry, fostering its development in the coming days. Infrastructure remains the backbone of India's economy, and investments in this sector have consistently been a key driver of steel industry growth, influencing both supply and demand. underscoring the government's commitment to infrastructure development, industrial expansion and long-term economic resilience. Given the uncertainty in global markets, the budget reinforces the need to strengthen domestic infrastructure to sustain growth. Additionally, government initiatives, including Production-Linked Incentives ('PLI') schemes and increased investments in infrastructure and manufacturing, have played a crucial role in boosting steel production and consumption.

In the Union Budget for FY2025-26, the Government of India ('GoI') has maintained capital expenditure (capex) as a share of GDP at the same level as 2024, reinforcing its commitment to industrial growth. While steel demand remains robust in India, steel prices are expected to remain range bound, capped by the threat of Chinese imports. Policy support provided by the Government in the form of a safeguard duty of 12% on April 21, 2025 for 200 days has given a partial relief to the Indian steel industry.

Overall, while the global steel demand is poised for recovery in 2025, the industry remains exposed to geopolitical, economic, and financial risks, however, continues to stand out as a high-growth market, supported by strong domestic demand and investment. The long-term outlook for the Indian steel industry remains optimistic, with continued infrastructure development, industrial expansion, and supportive government policies driving its growth. Effective trade policies, price stabilisation measures, and sustained investment will be crucial to maintaining India's competitive edge in the global steel market.

Indian Crude steel output rose by 6% year-over-year reaching approximately 144 MT in FY 2024 and for 152MT for 2025, domestic steel demand grew roughly 9% hitting 149 MT in FY 2024. According to the ACRA/CRISIL consumption of steel upturn of 9 to 10 % in FY 2025 driven by infrastructure housing, engineering and auto sectors.

RAW MATERIAL MARKET:

In 2024, India's Iron ore accounts for 70% of the total MCDR mineral production by value. As per provisional data, production of iron ore at 289 million metric ton (MMT) in FY 2024-25 has broken the production record of 277 MMT achieved in FY 2023-24, with a 4.3% growth. and in the fiscal year 2024-25, India's coal production reached 1047.677 million tons (MT), a 5% increase compared to the 997.826 MT produced in the previous fiscal year. Coal supply also saw a rise, reaching 1025.248 MT, a 5.37% increase from the 973.009 MT supplied in FY

2023-24 to 1025.248 MT (provisional) in FY 2024-25 with a growth of about 5.37%. Uninterrupted coal supply has been ensured during the year. Target of coal production for FY 2025-26 has been finalized by the Ministry of Coal is 1150.39 MT.

Your company purchases Raw Material i.e. Coal from SECL and from the open market as per the requirement of the Company and Iron Ore from NMDC for production of Sponge Iron. Our company has entered into and Long-Term Fuel Supply Agreement with SECL and NMDC for the procurements of raw material. Procurement of raw material is also been done through the linkage Auctions/Open Auction of as organized by Authorities.

OUR BUSINESS OVERVIEW

Your company is an integrated steel manufacturing plants, currently operating in 2 (two) plants situated at:

- 1. VILLAGE DIGHORA TEHSIL TAKHATPUR, DIST- BILASPUR AND**
- 2. INDUSTRIAL AREA-SILATARA RAIPUR, CHHATTISGARH.**

The integrated nature of our manufacturing plants has resulted in the control over all aspects of our operations (with the exception of sourcing of primary raw materials) as well as operating margins, thereby enabling us to focus more on quality and create multiple points of sale across the steel value chain.

We primarily engaged in the manufacturing of three main products, Sponge Iron, MS Billets and TMT Bars. The table below showcases our production capacities as of March 31, 2025, with the expansion capacity, to further leverage our capabilities and strengthen our value chain for better cost optimization through our backward integration are as:

Particulars	Unit of Measurement	Installed Capacity before Expansion in the FY 2023-24			Expansion in Bilaspur during the FY 2024-25	Installed Capacity post the Expansion in the FY 2024-25		
		Raipur	Bilaspur	Total		Raipur	Bilaspur	Total
Sponge Iron	MTPA	60,000	60,000	1,20,000	1,15,500	60,000	175,500	2,35,500
MS Billets*	MTPA	57,600	-	57,600	-	57,600	-	57,600
TMT Bars	MTPA	54,000	-	54,000	-	54,000	-	54,000
Total Products	MTPA	1,71,600	60,000	2,31,600	1,15,500	171,600	1,75,500	3,47,100
Captive Power Plant	MW	5	-	5	15	5	15	20

*Note: *Expansion of MS Billet Plant at Bilaspur with capacity of 1,53,000 MTPA is in progress at the end of the FY 2024-25.*

The Company had chosen Bilaspur Plant for the capacity expansion; company has successfully done its expansion in Sponge Iron plant and Power Plant during the year. Expansion of its MS Billet Plant at Bilaspur with capacity of 1,53,000 MTPA is expected to be completed in FY 2025-26, which will further strengthen our production capabilities.

Manufacturing plants are strategically located, supported by robust architecture, leading to cost efficiencies and a stable supply chain within the mineral rich State of Chhattisgarh and in close proximity to the mineral belt in eastern India.

These locations allow us to have easy access to raw materials and end users both which helps us overcome significant entry barriers in comparison with our competitors. We believe this lowers our transportation costs and provides us with logistics management and cost benefits, thereby improving our operating margins.

1. DIVERSIFIED PRODUCT MIX WITH STRONG FOCUS ON VALUE ADDED PRODUCTS:

In line with our strategic goal of enhancing operational efficiency and long-term profitability, we have intensified our focus on diversifying our product mix with an emphasis on value-added offerings. This approach is particularly crucial in the highly competitive and cyclical steel industry, where margin stability and product differentiation are key success drivers.

During the year, we continued to optimize our production mix across Sponge Iron, MS Billets, TMT Bars, and Captive Power. While sponge iron and billets form the foundation of our integrated value chain, the company has increased its emphasis on TMT bars, a higher-margin, value-added finished product with robust demand from infrastructure and construction sectors.

The forward integration into TMT bar production allows us to capture greater value across the supply chain, reduce reliance on third-party sales of semi-finished goods, and build stronger relationships with end-users and distributors. We are actively investing in process improvements, automation, and quality control to enhance the grade, durability, and consistency of our TMT offerings.

In parallel, our captive power generation continues to support cost-effective operations, while surplus power shall be sale externally, providing an additional revenue stream. We are evaluating further efficiency improvements and potential capacity expansions in power generation to support our growth in steel production.

Looking ahead, we remain committed to expanding our value-added product portfolio, strengthening our brand presence in downstream markets, and leveraging our integrated model to drive sustainable growth and higher EBITDA margins.

2. WORKING CAPITAL AUGMENTATION:

Ensuring a steady and cost-efficient supply of key raw materials is critical to the uninterrupted operation of our Sponge Iron Plant. In this context, your company has prioritized the augmentation of working capital to strengthen its raw material procurement strategy, particularly from leading government and private sector suppliers, during the year, we strategically enhanced our working capital base to secure consistent supply of core inputs such as iron ore and coal. Our key procurement partners include:

NMDC – for high-grade iron ore, essential for producing quality sponge iron;

SECL (South Eastern Coalfields Ltd.), and with its subsidiaries – for sourcing non-coking coal required in the reduction process; Additional purchases from private sector miners and traders to supplement requirements and procurement of raw material is also been done through the linkage Auctions/Open Auction of as organized by Authorities.

This working capital augmentation has enabled us to enter into more favorable procurement contracts, maintain higher inventory buffers, and reduce exposure to price and supply volatility. It has also supported smoother plant operations by minimizing disruptions related to raw material availability.

The strategic investment in working capital has not only reinforced our supply chain resilience but has also positioned us to take advantage of volume discounts, advance procurement benefits, and seasonal pricing advantages.

Moving forward, the company will continue to monitor commodity price trends and supplier performance to dynamically manage working capital allocation. We also intend to explore long-term supply agreements and forward contracts to further de-risk procurement and support the growth of our sponge iron capacity.

3. EXPERIENCED PROMOTER, BOARD AND MANAGEMENT TEAM:

We are led by our experienced and diverse Board and Management Team, who have multifold experience in the Iron and Steel Industry, and have been instrumental in the growth of our Company and have the expertise and vision to scale up our business. Mr. Vijay Anand Jhanwar is the Promoter and the Chairman and Managing Director of our Company has been well-established in the industry for more than 02 decades.

The knowledge and experience of our management and our team provide us with a competitive advantage as we seek to grow our existing business and expand the same. Having an experienced Board of Directors who have extensive knowledge and understanding of the metal industry being supplemented by a strong senior management team with significant experience in the metal industry will be strong foundational pillars of growth for our company. We believe our manufacturing plants operate in areas with highly skilled and low-cost labour, which helps us to keep our operating costs low.

4. TRACK RECORD OF GROWTH AND FINANCIAL PERFORMANCE:

Over the past few years, the Company has demonstrated a consistent track record of growth, underpinned by operational excellence, strategic capacity expansion, and prudent financial management. Despite a dynamic macroeconomic environment and input cost fluctuations, we have maintained a steady upward trajectory in both revenue and profitability.

(Rupees in Millions)

Sr. No.	Financial year	Revenue from Operations in millions	Total Income	EBITDA	PAT
1	2024-25	4750.31	4788.60	660.47	418.31
2	2023-24	4198.57	4242.70	808.90	541.17
3	2022-23	5089.57	5107.01	783.82	513.32
4	2021-2022	4020.72	4024.17	483.09	275.02
CAGR		5.72%	5.97%	10.99%	15.00%

Further our integrated business model—spanning Sponge Iron, MS billets, TMT bars, and captive power—has enabled us to capture value across the production chain and mitigate risks associated with raw material volatility. The forward integration into value-added products like TMT bars has contributed positively to margins and cash flow:

5. PRODUCT WISE PERFORMANCE OF STEEL IN F.Y. 2023-24 AND 2024-25:

Particulars of Product	Quantity Produced (MT)	Quantity Sold (MT)	Captive Use (MT)	Quantity Produced (MT)	Quantity Sold (MT)	Captive Use (MT)
Financial Year	2024-25			2023-24		
SPONGE IRON	147339.00	99438.04	46383.86	116080.00	73864.85	42126
M.S. BILLETS	48310.20	10758.91	37487.35	44568.00	17610.05	26813
TMT BAR	36299.45	36225.09	411.14	25977.50	25185.10	439

6. CAPACITY UTILISATION DURING THE FINANCIAL YEAR 2024-25:

During the year under review, the Company operated its manufacturing facilities at optimum levels. The details of installed capacity, actual production and capacity utilization are as under:

Particulars of Product	Unit of measurement	Installed Capacity	Production	Utilized Capacity
SPONGE IRON	MTPA	235500*	147339.00	62.56%
M.S. BILLETS	MTPA	57600	48310.20	83.87%
TMT BAR	MTPA	54000	36299.45	67.22%

**One of our Sponge Iron Plant located at Bilaspur with the capacity of 115500 MTPA has been started production from December 2024.*

7. ON THE FINANCIAL FRONT, THE COMPANY HAS ACHIEVED:

- Sustained revenue growth, driven by increased production volumes, improved capacity utilization, and favorable market demand.
- Healthy EBITDA margins, supported by Internal consumption of Sponge Iron and Power, resulting in cost efficiencies.
- Stable Balance Sheet, with manageable leverage and strong liquidity, enabling timely procurement, capital expenditure, and working capital deployment.
- Reflecting efficient asset utilization.
- Our focus on disciplined capital allocation, cost optimization, and product diversification has laid a solid foundation for future growth. We remain confident in our ability to continue this momentum, supported by strong sector fundamentals and robust operational capabilities.

8. KEY CHALLENGES

A. Lack of Sustainable Raw Material Sources (Iron Ore and Coal)

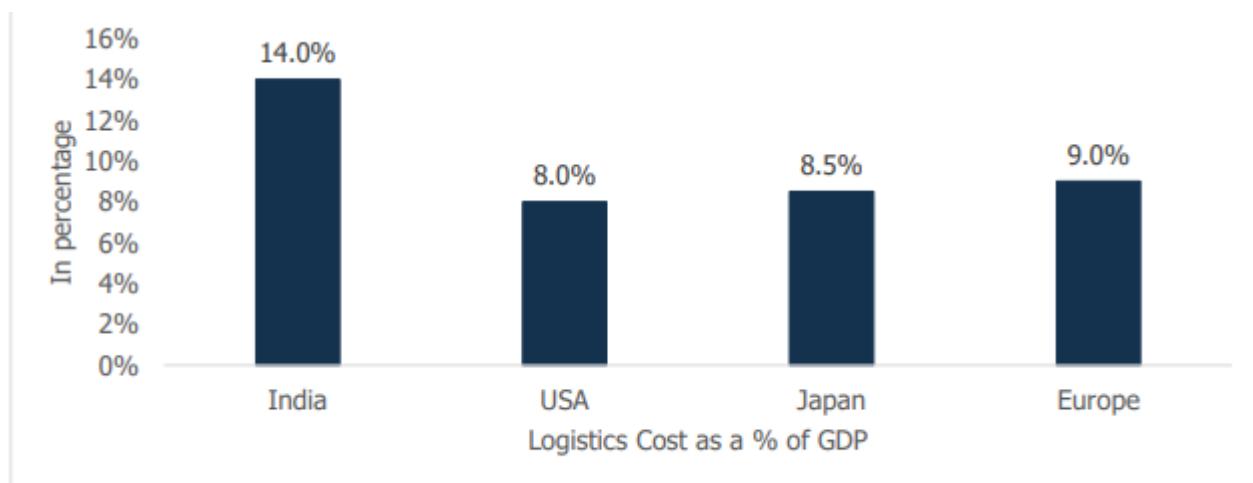

Iron ore and coal are the key raw materials used in the steel production process. India largely depends on importing these raw materials for various uses.

India is self-sufficient in iron ore. However, it largely consists of low-grade deposits, which require beneficiation to make them suitable for use in steel plants. Accordingly, the availability of high-grade iron ore is limited in India. Moreover, a large quantity of iron ore fines produced in the mining process requires pelletisation before it can be used in steel plants.

Secondly, the limited availability of coal reserves is another challenge for the steel industry. Further, the domestically available coal has high ash content and is not suitable for direct use in the process. It has to be washed in washeries and then blended with imported coal to make it suitable for the process. At the same time, there is limited capacity for washeries. As a result, India largely depends on imports to meet the domestic demand for coal.

B. High Logistic Costs

It is estimated that 3-3.5 tons of material needs to be transported for every 1 tons of steel produced in India. The logistics cost is currently in the range of 4-5% of sales of the domestic steel players and fluctuates on the basis of the proximity of the steel plants to the iron ore and coking coal sources. Further, logistics costs in India are significantly higher compared to global peers and account for about 14% of the GDP.

Source: Ministry of Railways, Report of the Committee on Mission 3000 million tonnes, Industry Sources

Moreover, the logistics industry connects other industries to the domestic and international markets. It affects the efficiency of the manufacturing global value chains and the competitiveness of a country's economy within these value chains.

C. Decarbonization and Environmental Concerns

The Indian steel industry is responsible for roughly 12% of India's carbon dioxide (CO2) emissions, surpassing the global average of 7-9%. The emission intensity in the Indian steel industry stands at 2.55 T/TCS, while the global average emission intensity is 1.91 T/TCS.

India has made a commitment to decrease the emissions intensity of its Gross Domestic Product (GDP) by 45% by 2030, compared to 2005 levels and achieve net zero by 2070. To support this target, the Ministry of Steel has committed to achieving the Net Zero target by 2070 and has taken a medium-term target to reduce the emission intensity of the steel sector to 2.4 T/TCS by 2030.

These targets remain critical for the steel industry players including steel pipes and tube manufacturers for reducing the emissions within the set timelines. The reduction of emissions is also vital for the industry to maintain its competitiveness in export markets which are becoming increasingly environment conscious. Commencing in October 2023, the European Union (EU) has decided to implement a Carbon Border Adjustment Mechanism (CBAM) – a tariff on carbon-intensive imports, aimed at preventing carbon leakage. The first phase of CBAM will cover the iron & steel, cement, aluminium, fertilizer, electricity, and hydrogen sectors.

9. RISK FACTORS:

Risks Relating to our Business:

1. Both of our existing manufacturing facilities are concentrated in a single region i.e. Raipur and Bilaspur, Chhattisgarh. And Expansion is also being at Bilaspur, Chhattisgarh and hence we face geographical concentration related risks.
2. 100% of our revenue is from sale of our steel products such as TMT Bars, MS Billets, Sponge Iron & others related items. Volatility in the demand and pricing in the iron and steel industry is common and is cyclical in nature. A decrease in steel prices may have a material adverse effect on our business, results of operations, prospects and financial condition.
3. If we are unable to successfully utilized our installed capacity of expansion, including Captive Power Plant, our results of operations and financial condition could be adversely affected.
4. The shifts in GDP growth rates together with inflation variations and changes in interest rates and government fiscal decisions affect both investment spending patterns and consumer psychological state which produces consequences on the larger steel market demand pattern. Global economic conditions involving export-import restrictions and trade tariffs together with geopolitical tensions cause disruptions to supply paths while limiting export availability.
5. The inherently cyclical nature of the steel industry results in fluctuating and unpredictable demand trends. Infrastructure projects, a major demand driver, are often subject to delays stemming from regulatory bottlenecks or fiscal limitations. Rising competition, both from domestic players and low-cost imports, continues to exert pressure on pricing and market share. Heavy reliance on core consuming sectors such as construction, infrastructure, and capital goods exposes the business to sector-specific slowdowns

10. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has an effective and reliable internal control system commensurate with the size of its operations. At the same time, it adheres to local statutory requirements for orderly and efficient conduct of business, safeguarding of assets, the detection and prevention of frauds and errors, adequacy and completeness of accounting records and timely preparation of reliable financial information. The efficacy of the internal checks and control systems is validated by self-audits and internal as well as statutory auditors.

11. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:**Share Capital:**

During the financial year 2024-2025, the company experienced a significant development in its share capital structure leading to an increase in its paid-up share capital from Rs. 247.21 to Rs. 329.82 million as of March 31, 2025.

During the year 2024-2025, the Company Share Capital increased through an Initial Public Offer (IPO), the company successfully raised Rs. 1710.00 million by issuing 82,60,869 Equity Shares with a face value of Rs. 10/- each, at issue price of Rs. 207/- per share, including a premium of Rs. 197/- per share. The equity shares were listed on BSE-NSE Main Board on July 03, 2024.

Total Income:

The Total Income of the Company stood at Rs.4788.60 million for the year ended March 31, 2025 as against Rs.4242.70 million in the previous year. The Company made a Net Profit after tax of Rs. 418.31 million for the year ended March 31, 2025 as compared to the Net Profit after tax of Rs. 541.17 million in the previous year.

Reserves and Surplus:

The Board has decided not to transfer any amount to the special reserve for the year under review, however an amount of Rs. 418.31 million is transferred in the general reserves of the company.

12. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

In the financial year under review, our company continued its trajectory of strategic growth and operational expansion. One of the most significant indicators of this growth has been the substantial increase in our workforce. As of March 31, 2025, we had a workforce of 768 employees & workers, comprising of 473 permanent employees including 03 Executive Directors, 02 KMP, 10 employees at the Registered Office, 207 employees at Raipur Plant and 251 employees at Bilaspur Plant along with 295 contract workers. As compared to the previous year as it was 193 at Raipur Plant and 95 at Bilaspur Plant with contract workers 235 comprising of 537 workforces. Following the expansion initiative undertaken last year, we successfully onboarded an additional 231 employees during the early part of the year. This expansion was aimed at strengthening our operational capabilities, improving client delivery timelines, and scaling our talent management services across new regions

We have also continued to focus on employee training and engagement, ensuring that our growing team is aligned with the company's vision and equipped with the skills required to meet evolving industry challenges. Our HR function has played a pivotal role in streamlining onboarding processes and enhancing workforce integration post-expansion.

Moving forward, the company will continue to prioritize employee development, diversity and inclusion, and performance-based culture as key pillars of our human resources strategy

13. DETAILS OF SIGNIFICANT CHANGES:

Our Company has significant changes in the key financial ratios during the financial year 2024-25 as below:

Sr No.	Financial Ratios	Numerator	Denominator	Ratio 2024-25	% changes in FY 2025	Ratio 2023-24	% change in FY 2024
1	Current Ratio	Current Assets	Current Liabilities	10.622	131.40%	4.59	59.36%
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity + Finance Cost + Repayments of current and non-current term	0.006	(98.23) %	0.34	81.23%
3	Debt Service Coverage Ratio	PBT + Depreciation + Interest	Borrowings	42.519	79.86%	23.64	268.10%
4	Return on Equity	Profit after Tax	Avg. Shareholder's Equity	0.218	(31.37%)	0.32	(28.95%)
5	Inventory Turnover Ratio	Revenue from Operations	Average Inventory	10.258	(10.11%)	11.41	(29.58%)
6	Trade Receivable Turnover Ratio	Revenue from Operations	Average Trade Receivable	29.039	(15.54%)	34.38	(17.55%)
7	Trade Payables Turnover Ratio	Purchases	Average Trade Payables	32.565	56.77%	20.77	(32.52%)
8	Net Capital Turnover Ratio	Revenue from Operations	Average Working Capital	07.577	42.17%	5.33	(47.16%)
9	Net Profit Ratio	Profit after Tax	Revenue from Operations	0.088	(31.68%)	0.13	30.58%
10	Return on Capital Employed	EBIT	Capital Employed	0.149	(49.81%)	0.30	(34.23%)

EXPLANATION FOR CHANGE IN RATIOS FOR THE YEAR ENDED (IF MORE THAN 25%):**Current Ratio**

Due to substantial increase in Current Asset

Debt-Equity Ratio

Due to decrease in Term loan

Debt Service Coverage Ratio

Due to substantial decrease in debts

Return on Equity

Due to decrease in profit and increase in equity

Net Capital Turnover Ratio

Due to increase in sale and substantial decrease in working capital.

Trade Payable Turnover Ratio

Due to decrease in payables

Net Profit Ratio

Due to substantial decrease in profit

Return on Capital Employed

Due to substantial increase in Capital Employed

CAUTIONARY STATEMENT:

This report contains forward- looking statements based on the perceptions of the Company and the data and information available with the company. The company does not and cannot guarantee the accuracy of various assumptions underlying such statements and they reflect Company's current views of the future events and are subject to risks and uncertainties. Many factors like change in general economic conditions, amongst others, could cause actual results to be materially different.

ANNEXURE-V**CERTIFICATION BY CFO UNDER REGULATION 17(8) OF THE LISTING REGULATION**

To
The Board of Directors,
Vraj Iron and Steel Limited

- a) We have reviewed the financial statements and the cash flow statement of Vraj Iron and Steel Limited for the year ended March 31, 2025 and to the best of our knowledge and belief:
 - (i) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - (ii) these statements together present a true and fair view of the Company's affairs and are in compliance with existing Accounting Standards, applicable laws and regulations.
- b) There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's Code of Conduct.
- c) We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of the internal control systems of the Company pertaining to financial reporting and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take for rectifying these deficiencies.
- d) We have indicated to the Auditors and the Audit Committee:
 - (i) Significant changes in internal control over financial reporting during the year;
 - (ii) Significant changes in accounting policies made during the year and the same have been disclosed in the notes to the financial statements; and
 - (iii) Instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

ANNEXURE-VI**Form No. MR-3**

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

SECRETARIAL AUDIT REPORT

For the financial year ended 31st March, 2025

To,

The Members,

VRAJ IRON AND STEEL LIMITED

First floor, Plot No 63 & 66, Ph No 113

Mother Teresa Ward No. 43,

Jalvihar Colony, Raipur, (C.G.) 492001

CIN: L27101CT2004PLC016701

Authorised Capital: Rs. 40,00,00,000

Paid up Capital: Rs. 32,98,26,190

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Vraj Iron and Steel Limited (hereinafter called “the Company or VISL”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Further this report of even date is to be read along with **Annexure-A** attached with this report.

Based on my verification of the Vraj Iron And Steel Limited, books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2025 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder,
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')
 - a)** The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b)** The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c)** The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d)** The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; ***no such instance/transaction was reported during the period under review;***
 - e)** The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; ***no such instance/transaction was reported during the period under review;***
 - f)** The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g)** The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; ***no such instance/transaction was reported during the period under review;***
 - h)** The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; ***no such instance/transaction was reported during the period under review;***
- (vi) The management has identified and confirm the following law as specifically applicable to the company:
 - a. Employee State Insurance Act, 1948.

I have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards issued by The Institute of Company Secretaries of India on meetings of the Board of Directors and general meetings.
- ii) Securities And Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

Further, the Company has total obligation of Rs. 1,19,23,250 (Rupees One Crore Nineteen Lakhs Twenty-Three Thousand Two Hundred and Fifty Only) to be spend during the FY 2024-25 on CSR activities. But during the year Company had spent Rs. 9022845/- (Rupees Ninety Lakhs Twenty-Two Thousand Eight Hundred Forty-Five Only) on the CSR activities and Rs. 29,00,405/- (Rupees Twenty-Nine Lakhs Four Hundred Five Only) is remained unspent during the financial year 2024-25.

But as per the provisions given under proviso to sub-section 5 of Section 135 of the Companies Act, 2013, Company is planning to deposit the unspent amount of Rs. 29,00,405/- (Rupees Twenty-Nine Lakhs Four Hundred Five Only) to the PM Care Funds on or before 30th September, 2025.

We further report that compliance of applicable financial laws including Direct & Indirect Tax laws by the Company has not been reviewed in this Audit since the same has been subject to review by Statutory Auditors and other designated Professionals.

I further report that: -

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

- During the period under review, there was a change in the composition of the Board of Directors on account of the reappointment of Mr. Prasant Kumar Mohta (DIN: 06668452) as Whole time Director of the Company, as duly approved by the Board of Directors in the meeting held on 4th June 2024, based on the recommendation made by the Nomination and Remuneration Committee. Furthermore, this reappointment was duly approved by the shareholders in the Extraordinary General Meeting (EOGM) held on 16th June 2024.

As per the information and explanation provided, adequate notice is given to all directors to schedule the Board Meetings as well as for Committee meetings, agenda and detailed notes on agenda were sent at least seven days in advance or within shorter notice, and a system exists for seeking and obtaining further

information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous, and no dissenting views have been recorded.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

As informed, the company has responded appropriately to notices received from various statutory/regulatory authorities including initiative action for corrective measures, wherever found necessary.

I further report that during the audit period: -

- During the period under review, in connection with the listing of its securities, and in compliance with the relevant provisions of the Companies Act, 2013, the company filed the Prospectus along with related documents with the Registrar of Companies, Chhattisgarh, in Form GNL-2.
- During the period under review, on the occasion of the listing of securities, and in accordance with the relevant provisions of the Companies Act, 2013, the Board of Directors of the company adopted the Prospectus in the meeting held on 28th June 2024. The same was subsequently filed with the Registrar of Companies, Chhattisgarh, Securities and Exchange Board of India (SEBI), National Stock Exchange (NSE), and Bombay Stock Exchange (BSE).
- During the period under review, the Board of Directors of the company, in its meeting held on 1st July 2024, approved the allotment of 82,60,869 equity shares at a price of ₹207/- per share (including a share premium of ₹197/- per share) to the allottees, as defined in the Prospectus. The said allotment was duly approved by the shareholders at the Extraordinary General Meeting (EOGM) held on 21st December 2023, in accordance with the applicable provisions of the Companies Act, 2013. Further, the company filed Form PAS-3 with the Registrar of Companies, Chhattisgarh related to such Allotment.
- During the period under review, the Company received listing approvals from both the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE) on 2nd July 2024.

- During the period under review, based on the recommendation of the Audit Committee in its 3rd meeting held on 10th August 2024, the proposal to invest in the equity shares of Vraj Metaliks Private Limited was considered, with the intent to acquire up to an additional 15% stake, thereby increasing the Company's total shareholding to 49.99% in the said entity. Pursuant to this recommendation, the Board of Directors, in its 9th meeting held on 10th day of August, 2024, duly approved the proposed investment, in accordance with the applicable provisions of the Companies Act, 2013 and other relevant regulatory guidelines.
- During the period under review, the Company received a legal notice from Viraj Profiles Private Limited, alleging that the name of Vraj Iron and Steel Limited is identical with or too nearly resembles the name of Viraj Profiles Private Limited, and thereby requested a change of the Company's name. The matter was heard before the Hon'ble Regional Director, Ahmedabad, and upon conclusion of the proceedings, the Hon'ble Regional Director, vide on Final date of hearing dated 30th December 2024, dismissed the petition filed by Viraj Profiles Private Limited and passed an order in favour of Vraj Iron and Steel Limited, allowing the Company to retain its existing name.

Further there were no instances of:

- (1) Buy-back of securities.
- (2) Merger / amalgamation / reconstruction etc.
- (3) Foreign technical collaborations.

The Committee is governed by a Charter, which is in line with the regulatory requirements mandated by the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Some of the important functions performed by the Committee are:

The scope of Audit Committee shall include but shall not be restricted to the following:

- Overseeing the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible;
- Recommending to the Board the appointment, re-appointment and replacement, remuneration and terms of appointment of statutory auditor of the Company;
- Reviewing and monitoring the statutory auditor's independence and performance, and effectiveness of audit process;
- Approving payments to statutory auditors for any other services rendered by the statutory auditors of the Company;
- Reviewing, with the management, the annual financial statements and auditor's report thereon before submission to the Board for approval, with particular reference to:
 - a. Matters required to be included in the Director's Responsibility Statement to be included in the Board's report in terms of clause (c) of sub-Section 3 of Section 134 of the Companies Act, 2013, as amended;
 - b. Changes, if any, in accounting policies and practices and reasons for the same;
 - c. Major accounting entries involving estimates based on the exercise of judgment by the management;
 - d. Significant adjustments made in the financial statements arising out of audit findings;
 - e. Compliance with all legal requirements relating to financial statements;
 - f. Disclosure of any related party transactions; and
 - g. Qualifications / modified opinion(s) in the draft audit report.
- Reviewing, with the management, the quarterly, half-yearly and annual financial statements before submission to the board for approval;
- Reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document / prospectus / notice and the report submitted by the monitoring agency monitoring the utilization of proceeds of a public or rights issue, and making appropriate recommendations to the Board to take up steps in this matter;
- Approval or any subsequent modification of transactions of our Company with related parties and omnibus approval for related party transactions proposed to be entered into by our Company subject to such conditions as may be prescribed;
- Formulating a policy on related party transactions, which shall include materiality of related party transactions;
- Scrutinizing of inter-corporate loans and investments;
- Valuing of undertakings or assets of the Company, wherever it is necessary;
- Evaluating of internal financial controls and risk management systems;
- Establishing a vigil mechanism for directors and employees to report their genuine concerns or grievances;
- Reviewing, with the management, performance of statutory and internal auditors, adequacy of the internal control systems;
- Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
- Discussing with internal auditors of any significant findings and follow up there on;
- Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the Board;

- Discussing with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
- Looking into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;
- Reviewing the functioning of the whistle blower mechanism;
- Approving the appointment of the Chief Financial Officer (i.e., the whole-time Finance Director or any other person heading the finance function or discharging that function) after assessing the qualifications, experience and background, etc. of the candidate; and
- Carrying out any other function as is mentioned in the terms of reference of the Audit Committee and any other terms of reference as may be decided by the Board and/ or specified/ provided under the Companies Act, 2013 or any other law.

The recommendations of the Audit Committee on any matter relating to financial management, including the audit report, are binding on the Board. If the Board is not in agreement with the recommendations of the Committee, reasons for disagreement shall have to be incorporated in the minutes of the Board Meeting and the same has to be communicated to the shareholders.

The Chairman of the committee has to attend the Annual General Meetings of the Company to provide clarifications on matters relating to the audit.

4. NOMINATION AND REMUNERATION COMMITTEE:

The Nomination and Remuneration Committee, as per Section 178 of Companies Act, 2013 and Regulation 19 of SEBI (LODR) Regulations, 2015, continued working under Chairmanship of Mr. Sumit Deb. During the year, the committee met on Two (02) times. The composition of the Nomination and Remuneration Committee as at March 31, 2025 and details of the Members participation at the Meetings of the Committee are as under:

INDEPENDENT AUDITOR'S REPORT**To The Members of Vraj Iron And Steel Limited****Report on the Audit of the Standalone Financial Statements****Opinion**

We have audited the accompanying standalone financial statements of Vraj Iron and Steel Limited (the "Company") (Formerly Known As Vraj Iron and Steel Private Limited & Phil Ispat Private Limited) which comprise the standalone balance sheet as at March 31, 2025, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit and other comprehensive Income (comprising of Profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Other information

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/ (loss) and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

- Conclude on the appropriateness of the Management use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative, materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

- e. On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g. With respect to the other matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2025 on its financial position in its standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
 - i. The company has not declared any dividend during the year under audit.
 - j. In our opinion and according to the information and explanations given to us, The Company has implemented accounting software with audit trail (edit log) feature, from January 1, 2025 onwards during the financial year 2024-25.

However, for the period from April 1, 2024 to December 31, 2024, the accounting software used by the Company did not have the audit trail (edit log) feature, and accordingly, the Company was not in compliance with the requirements of Rule 11(g) for that period.

For the period from January 1, 2025 to March 31, 2025, based on our examination of the audit trail maintained, we did not notice any instance of tampering of the audit trail during that period.

Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of Vraj Iron and Steel Limited for the Year ended March 31, 2025

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

To the best of our information and according to the explanations provided to us by the company and the books of account and records examined by us in the normal course of audit, we state that :

- i. In respect of the Company's Property, Plant & Equipment and Intangible Assets:
 - a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The company does not have any Intangible Assets.
 - b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified at reasonable intervals. In accordance with this programme, all property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.
 - c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company.
 - d. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
 - e. According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii. a. As explained to us and the information provided by the management, the inventory has been physically verified at reasonable interval during the year by the management. The discrepancies noticed on verification between physical stock and book stocks, wherever ascertained were not significant and have been properly dealt in the books of the accounts.
- b. According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of the security of current assets at any point of time during the year. The quarterly returns/statements filed by the Company with such banks and financial institutions are in agreement with the books of account of the Company.

iii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, provisions of clauses 3(iii)(a), 3(iii)(f) of the Order are not applicable to the Company.

(b) In our opinion, the balance outstanding of corporate guarantee as on balance sheet date of Rs 250 Millions are, *prima facie*, not prejudicial to the Company's interest.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, in our opinion the repayment of principal and payment of interest has been stipulated and the repayments or receipts have been regular. Further, the Company has not given any advance in the nature of loan to any party during the year.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given. Further, the Company has not given any advances in the nature of loans to any party during the year.

(e) None of the loans granted by the Company have fallen due during the year.

iv In our opinion and according to the information and explanation given to us, the company has complied with the provisions of section 185 and 186 of the act, with respect to the loans granted, investments and guarantee made, as applicable.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

vi. The maintenance of cost records has been specified by the Central Government under Section 148(1) of the Companies Act, 2013. We have broadly reviewed such cost records and are of the opinion that *prima facie*, the prescribed records have been made and maintained. We have however, not made detailed examination of these cost records with a view to determine whether they are accurate or complete.

vii. In respect of statutory dues:

a. According to the information and explanations given to us and on the basis of our examination of the records of the company, amounts deducted / accrued in the books of accounts in respect of undisputed statutory dues including provident fund, Employee State Insurance, income tax, sales tax, service tax, duty of excise, duty of customs, value added tax, cess and other material statutory dues have been regularly deposited during the year by the company with the appropriate authorities. According to information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, sales tax, service tax, duty of customs, value added tax, cess and other material statutory dues were in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

b. According to the information and explanations given to us, and the records of the company examined by us, the Statutory dues as at March 31, 2025 which have not been paid on account of disputes and the forum where the disputes are pending are as under:

(` in Millions)					
Name of the Statute	Nature of the Dues	Amount	Period to which the amount relates	Forum where dispute is pending	Pre-deposits
Income Tax Act 1961	Income Tax	1.00	2017-18	The Commissioner of Income Tax (Appeals)	0.20
Income Tax Act 1961	Income Tax	10.09	2012-13	The Commissioner of Income Tax (Appeals)	2.05

viii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961.

ix.

- a. According to the information and explanations given to us and on the basis of our examination of the records of the Company, The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender. Accordingly, clause 3(ix)(a) of the Order is not applicable to the Company.
- b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- c. According to the information and explanations given to us by the management, Term loan have been applied towards the purpose for which they were obtained.
- d. According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- e. According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its associates.
- f. According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its associates. Hence clause 3(ix)(f) of the Order is not applicable.

x.

- a. In our opinion and according to information and explanations given by the management and audit procedures performed by us, monies raised by the Company by way of initial public offer were applied for the purpose for which they were raised. The amount of unutilized proceeds as at March 31, 2025 amounted to Rs 173.95 million. Also, refer Note 46 of the Standalone Financial Statements of the Company.
- b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

- xi. a. Based on examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- b. According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c. As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- xiii. In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. a. Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- b. We have considered the internal audit reports of the Company issued till date for the period under audit.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- xvi. a. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a,b,c) of the Order is not applicable.
- b. According to the information and explanations provided to us, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC. Accordingly, clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date

of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. The company has not transferred the amount remaining unspent in respect of other than ongoing projects to fund specified in schedule VII to the companies Act, 2013 till the date of our report. However the time period for such transfer i.e six months of the expiry of the financial year as permitted under the second proviso to sub section (5) of section 135 of act has not elapsed till date our report.

Annexure B to the Independent Auditor's Report

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of Vraj Iron and Steel Limited (Formerly Known As Vraj Iron and Steel Private Limited & Phil Ispat Private Limited) (the "Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with

reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of Standalone Ind AS Financial Statements****A. Corporate Information**

Vraj Iron and Steel Limited (Formerly Known As Vraj Iron and Steel Private Limited & Phil Ispat Private Limited) is domiciled and incorporated in India. The registered office is situated at First Floor, Plot No. 63 & 66, Ph No. 113, Mother Teresa, Ward No. 43, Jalvihar Colony, Raipur, and Chhattisgarh - 492001. The Company is into manufacturing of Sponge Iron, M S Billet and TMT Bars. It also has a power plant which generates electricity for captive consumption. The Standalone Financial Statements of the Company for the year ended March 31, 2025 were approved and authorized for issue by board of directors in their meeting held on May 27, 2025.

The Company has completed its Initial Public Offer (IPO) being 100% fresh issue of 82,60,869 equity shares of face value of INR 10 each. Pursuant to the IPO, the equity shares of the Company were listed on National Stock Exchange of India Limited (NSE) and BSE Limited (BSE) on July 3, 2024.

B. Significant Accounting Policies**B.1 Basis of preparation and presentation**

Standalone Financial Statements have been prepared on the historical cost convention and accrual basis except for the following:

- certain financial assets and liabilities including derivative instruments measured at fair value
- defined benefit plans - plan assets measured at fair value

The Standalone Financial Statements have been prepared to comply with the Indian Accounting Standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013, (as amended from time to time) and Presentation and disclosure requirements of Division II of Schedule III to the Companies Act, 2013 (Ind AS Compliant Schedule III) as amended from time to time.

The Company's Standalone Financial Statements are presented in Indian Rupees (₹), which is also its functional currency and all values are rounded in millions with two decimal places, except when otherwise stated.

B.2 Current and Non-Current Classification

The Company presents assets and liabilities in the Standalone Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is :-

- Expects to be realise or intends to be sell or consume in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of Standalone Ind AS Financial Statements**

- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when: -

- It is expects to be settle in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets or liabilities.

B.3 Use of estimates

The preparation of the standalone financial statement is in conformity with Ind AS requiring management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the grouping disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the standalone financial statement were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognized in the year in which the estimates are revised and in any future year affected.

C. Summary of significant accounting policies**C.1 Property, Plant and Equipment**

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the asset to the location and condition necessary for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately. Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of Standalone Ind AS Financial Statements**

Spare parts, procured along with the related Plant & Machinery or subsequently, if capitalized and added in the carrying amount of such item is depreciated over the residual useful life of the related plant and machinery or their useful life whichever is lower. Stand-by equipment and servicing equipment which meet the definition of property, plant and equipment are capitalized and others are carried as inventory and recognized in the income statement on consumption.

If significant parts of Property, Plant and Equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. The cost of replacing part of an item of property, plant and equipment or major inspections performed, are recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the item will flow to the Company and its cost can be measured reliably. The costs of all other repairs and maintenance are recognized in the Standalone Statement of Profit & Loss as and when incurred.

Gains and losses on disposal/ derecognition (when no future economic benefits are expected or the same is held for sale) of a Property, Plant and Equipment are determined by comparing net disposal proceeds/ fair value (less estimated cost of sale) with the carrying amount of property, plant and equipment. These are included in profit or loss within other gains/ losses.

Residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively.

Depreciation has been provided on written down method on useful life assigned to each asset in accordance with Schedule II of the Companies Act, 2013, on a pro-rata basis.

C.2 Investment Properties

Property held to earn rentals or for capital appreciation or both, rather than for use in the production or supply of goods or services or for administrative purposes are covered herein. Property held for sale or for sublease are not classified as Investment Properties. Investment properties are measured at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable in bringing the asset to the location and condition necessary for its intended use. Investment properties are depreciated on straight line method on prorata basis at the rates specified therein. Subsequent expenditure including cost of major overhaul and inspection is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits associated with the item will flow to the Company and the cost of expenditure can be measured reliably. Fair Value of investment properties shall be disclosed, otherwise proper explanation shall be provided.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of Standalone Ind AS Financial Statements****C.3 Intangible Assets**

Intangible Assets are recognised, when it is probable that associated future economic benefits would flow to the Company, having definite useful lives (subsequent to initial recognition). It is reported at cost less accumulated amortisation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use, but excludes trade discount, rebate, recoverable taxes.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at the end of each reporting period and adjusted prospectively, if appropriate. Useful life of Computer Software is estimated to be 6 years.

An Intangible asset is derecognized when no future economic benefits are expected to arise from the continued use of the asset or upon disposal. Any gain or loss on disposal/ derecognition is recognized in the Standalone Statement of Profit &Loss.

C.4 Capital work in progress

Projects under which assets are not ready for their intended use are carried at cost, comprising direct cost, related incidental expenses, expenditure in relation to survey and investigation and attributable interest. Such expenditure is either capitalized on completion of the project or the same is expensed in the year in which it is decided to abandon such project.

C.5 Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset.

A lease is classified on the inception date as a finance or an operating lease. Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases.

The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any re-measurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of Standalone Ind AS Financial Statements**

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability.

The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

Leases under which substantially all the risks and rewards of ownership are not transferred to the Company are classified as operating leases. Lease payments under operating leases are recognized as an expense on a straight line basis in the Standalone Statement of Profit and Loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

C.6 Inventories

Cost of raw material, finished goods/ work in progress, Stores are measured at lower of cost or net realisable value after providing for obsolescence, if any, whereas by-products are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads (net of recoverable taxes) incurred in bringing them to their respective present location and condition. Costs includes all expenses incurred in bringing the inventories to their present location and condition.

Cost of finished goods/ work in progress is determined on weighted average basis. Cost of inventory is assigned using FIFO. Cost of opening and closing stock excludes taxes that are subsequently recoverable from taxing authorities.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

C.7 Financial Instruments**C.7.1 Financial Assets****C.7.1.1 Initial Recognition and Measurement**

All Financial Assets are initially recognised at fair value and transaction costs. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, are adjusted to fair value and balance is expensed in the Standalone Statement of Profit and Loss. Purchase and sale of Financial Assets are recognised using trade date accounting.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of Standalone Ind AS Financial Statements****C.7.1.2 Subsequent Measurement****C.7.1.2.1 Financial Assets measured at Amortised Cost (AC)**

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise to cash flows on specified dates that represent solely payments of principal and interest on the principal amount outstanding.

C.7.1.2.2 Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

C.7.1.2.3 Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

C.7.1.3 Investment in Subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in Subsidiaries, associates and joint venture at cost less impairment loss (if any).

C.7.1.4 Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Standalone Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'. However, dividend on such equity investments is recognised in Standalone Statement of Profit and loss when the Company's right to receive payment is established.

C.7.1.5 Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

VRAJ IRON AND STEEL LIMITED

NOTE 1: Forming Part of Standalone Ind AS Financial Statements

- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For Trade Receivables the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables.

The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Standalone Statement of Profit and Loss.

C.7.2 Financial Liabilities

C.7.2.1 Initial Recognition and Measurement

All Financial Liabilities are recognised at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Standalone Statement of Profit and Loss as finance cost.

C.7.2.2 Subsequent Measurement

Financial Liabilities are carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

C.7.3 Derecognition of Financial Instruments

The Company derecognises a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

C.7.4 Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

C.7.5 Derivatives

The Company uses derivative financial instruments such as forward currency contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognized

VRAJ IRON AND STEEL LIMITED

NOTE 1: Forming Part of Standalone Ind AS Financial Statements

at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to the Standalone Statement of Profit and Loss.

C.8 Fair value measurements of financial instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including Discounted Cash Flow Model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair value. Judgements include considerations of inputs such as liquidity risks, credit risks and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Further details are set out in note 39.

C.9 Impairment of Non-Financial Assets

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or group of Assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Standalone Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets. After impairment, depreciation or amortization is provided on the revised carrying amount of the assets over its remaining useful life.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

C.10 Provisions, Contingent Liability and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to

VRAJ IRON AND STEEL LIMITED

NOTE 1: Forming Part of Standalone Ind AS Financial Statements

the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made. Contingent liabilities are not recognized but are disclosed in notes.

Contingent Assets are disclosed by way of a note only if inflow of economic benefits is probable.

C.11 Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. When the grant relates to revenue, it is recognised in the Standalone Statement of Profit and Loss on a systematic basis over the periods to which they relate. When the grant relates to an asset, it is treated as deferred income and recognised in the Standalone Statement of Profit and Loss by way of deduction from depreciation expense on a systematic basis over the useful life of the asset.

C.12 Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand, cash at banks, short-term deposits and short-term highly liquid investments (with a maturity within three months or less from the date of purchase) that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

C.13 Earnings per share

Basic earnings per share is computed by dividing the Net Profit or loss after tax for the year attributable to equity holders by the weighted average number of shares outstanding during the year. Partly paid-up shares are included as fully paid equivalents according to the fraction paid-up. Diluted earnings per share is computed using the weighted average number of shares and dilutive potential shares except where the result would be anti-dilutive.

C.14 Borrowing costs

Borrowings costs directly attributable to the acquisition, construction or production of qualifying assets, assets that takes substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for the intended use or sale.

C.15 Foreign currency transactions and translation

Standalone Financial statements are presented in ` , which is the functional currency of the Company and the presentation currency. Transactions in currencies other than the functional

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of Standalone Ind AS Financial Statements**

currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at the end of the reporting period. Non-monetary items carried at fair value that are denominated in foreign currencies are re-translated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated. Exchange differences arising on the retranslation or settlement of other monetary items are included in the Standalone Statement of Profit and Loss for the year.

Income and expense items are translated at the average exchange rates for the period. Exchange differences arising, if any, are recognised in other comprehensive income and accumulated in a separate component of equity. Goodwill and fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing rate.

C.16 Revenue recognition

Revenue from sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of return, trade discounts and volume rebates. Revenue is recognized when the control over the goods have been transferred to the buyer, recovery of the consideration is probable, the associated cost and possible return can be estimated reliably and there is no continuing effective control or managerial involvement with, has not retained any significant risks of ownership or future obligations with, the goods, and the amount can be measured reliably.

Revenue from rendering of services is recognised over time by measuring the progress towards complete satisfaction of performance obligations at the reporting year.

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional. Due to the short nature of credit period given to/ advance received from customers, the same does not require adjustment of financing component and hence not accounted separately.

C.17 Other income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition. Interest income is included in other income in the standalone statement of profit and loss. Lease payments under operating leases are recognized as an income on a straight-line basis in the Standalone Statement of Profit and Loss over the lease term except where the lease payments are structured to increase in line with expected general inflation. The respective leased assets are included in the balance sheet based on

VRAJ IRON AND STEEL LIMITED

NOTE 1: Forming Part of Standalone Ind AS Financial Statements

their nature. Dividend Income is recognised when the Company's right to receive the amount has been established.

C.18 Employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

The Company participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company.

Defined Contribution Plan: Contribution to Provident fund and Employee State Insurance are accounted for on accrual basis.

Defined Benefit Plan: Leaves cannot be carried forward to next year and the same is either availed or encashed at the year end. Actuarial gains or losses on gratuity are recognized in other comprehensive income. Profit or loss does not include expected return on plan assets. Net interest recognized in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognized as part of re-measurement of net defined liability or asset through other comprehensive income.

Re-measurements comprising actuarial gains or losses and return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are not reclassified to profit or loss in subsequent periods.

C.19 Research and Development Expenses

Research and Development Expenses of revenue nature are charged to the Standalone Statement of Profit and Loss.

C.20 Taxes

The tax expenses for the period comprises of current tax and deferred income tax. Tax is recognised in Standalone Statement of Profit and Loss, except to the extent that it relates to items recognised in the Other Comprehensive Income. In which case, the tax is also recognised in Other Comprehensive Income.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date and it includes adjustment to tax payable in respect of previous years.

VRAJ IRON AND STEEL LIMITED

NOTE 1: Forming Part of Standalone Ind AS Financial Statements

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax losses can be utilised. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

C.21 Statement of Cash flows

Statement of Cash flows are prepared in accordance with “Indirect Method” in accordance with Ind AS – 7 consisting of operating, investing and financing activity of the company.

C.22 Segment Reporting

Identification of Segments: The Company’s operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit. Segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

Segment Accounting Policies: The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

Inter-Segment Transfers: The Company generally accounts for intersegment transfers at an agreed transaction value.

Unallocated Items: Unallocated items include general corporate income and expense items which are not allocated to any business segment.

C.23 Loans and borrowings

Loans and borrowings are initially recognized at fair value net of transaction costs incurred. Subsequently, these are measured at amortized cost using the effective interest rate ('EIR') method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Standalone Statement of Profit And Loss.

C.24 Trade and other payables

These amount represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the EIR model.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of Standalone Ind AS Financial Statements****C.25 Onerous Contracts**

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at lower of the expected cost of terminating/exiting the contract and the expected net cost of fulfilling the contract.

C.26 Other Accounting Policies

Accounting policies are referred to otherwise are consistent with generally accepted accounting principles.

C.27 Ind-AS Standards issued but not yet effective

The Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA issued the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:-

Ind AS 1 – Presentation of Financial Statements: The amendments require companies to disclose the material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors: The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty.

Ind AS 12 – Income Taxes: The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences.

Company does not expect that these amendments shall have significant impact in its financial statements.

38 Financial Risk Management Objectives and policies

The companies' financial liabilities, other than derivatives, comprise borrowings, capital creditors and trade and other payables. The main purpose of these financial liabilities is to finance the company operations. The company financial assets include trade and other receivables, cash and cash equivalents, investments and deposits.

The management ensures that risks are identified, measured and managed in accordance with Risk Management Policy . The Board of Directors also review these risks and related risk management policy.

The market risks, liquidity risks and credit risks are further explained below:

a Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include investments, trade payables, etc.

b Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The group companies' exposure to the risk of changes in market interest rates relates primarily to the debt obligations. The group manages its interest rate risk by having a balanced portfolio of borrowings and equity.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on loans and borrowings affected. With all other variables held constant, the group's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Changes in basis points	Borrowings as at	Effect on profit before tax
	%		
As at March 31, 2025	50	7.10	0.04
	(50)		(0.04)
As at March 31, 2024	50	616.95	3.08
	(50)		(3.08)

c Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The group's exposure to this risk is not there as there are no foreign currency transactions undertaken.

d Equity price risks

The company invests only in related companies which is a part of long term business planning and is strategic in nature. There is no other investment and hence there are no equity price risks exposure to the company.

e Credit risks

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables).

Trade receivables

Maximum exposure to the credit risk is on account of outstanding balances in the trade receivables account. But as per experience, the ageing of debtors is always kept less than six months and there are no bad debts encountered in past hence the risk is almost negligible. Credit Risk is managed by the company by monitoring their credit worthiness of customers, credit policies and deploying efficient resources for collection.

Less: Credit impairment	-	-	-	-	-	-
Net balance	103.37	11.89	-	-	-	115.27

Liquidity risks

The company source of liquidity is cash and cash equivalents and operating cash flow. The company believes that its working capital is sufficient to manage its current requirements, accordingly no liquidity risk is perceived.

Liquidity risks sensitivity

The table below summarises the maturity profile of the company financial liabilities on contractual undiscounted payments:

39 Capital management

For the purpose of Capital management, capital includes issued equity capital, and all equity reserves. Its primary objective is to maximise shareholders' value.

The company manages its capital structure and makes adjustment in light of changes in economic conditions and the requirements of financial covenants. Company monitors capital using a gearing ratio which is Debt divided by equity wherein debt includes all borrowings and lease liabilities.

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Total Debt	22.81	632.67
Total Equity	3,843.45	1,883.50
Debt Equity Ratio	0.01	0.34

There have been no breaches in the financial covenants of any interest bearing loans and borrowings.
 No changes were made in the objectives, policies or processes for managing capital during the above period.

B Fair Values Hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are classified into three Levels of a fair value hierarchy. The three Levels are denoted based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

43 Lease Disclosure
a As Lessor:

Company has not given any assets under any lease arrangement.

b As Lessee:

At inception of contract, company assesses whether the contract contains lease or not, ie it contains the right to control the use of any specific asset for a specific period of time in exchange of consideration.

Company recognises Right to Use assets and Lease liabilities at the inception of lease agreement. The right of use (ROU) is measured at cost which comprises of the initial amount of lease liability adjusted for any lease payments made at or after commencement date. The Right of use is subsequently amortised at straight line basis over the term of the lease.

Lease liability is initially measured at the present value of the lease payments that are not paid at commencement date, discounted using the company's incremental borrowing rate.

Company has elected not to recognise lease of less than 12 months and also of cases wherein monthly lease payment is of less than ₹ 0.01 million.

Incremental borrowing rate applied to lease liability is 10%.

INDEPENDENT AUDITOR'S REPORT**To The Members of Vraj Iron And Steel Limited****Report on the Audit of the Consolidated Financial Statements****Opinion**

We have audited the Consolidated financial statements of Vraj Iron and Steel Limited (the "Company") (Formerly Known As Vraj Iron and Steel Private Limited & Phil Ispat Private Limited) and its associate which comprise the Consolidated balance sheet as at March 31, 2025, and the Consolidated statement of profit and loss (including other comprehensive income), Consolidated statement of changes in equity and Consolidated Statement of cash flows for the year then ended, and notes to the Consolidated financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2025, of consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements / consolidated financial statements and on the other financial information of the associate were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Other information

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Consolidated financial statements and auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the company including its associate in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Company and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Company and its associate are responsible for assessing the ability of the Company and its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company and its associate or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Company and its associate are responsible for overseeing the financial reporting process of the Company and its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company and its associate has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Management use of the going concern basis of accounting in preparation of Consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company and its associate ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the associate company included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative, materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial statements include the audited financial statements of one associate reflects share of Profit of Rs 22.56 Million& other comprehensive income of Rs(0.04) Million for the year ended 31.03.2025 as considered in the consolidated financial statementwhose financial statements have been audited by other auditor. These audited financial statements have been furnished to us by Board of Directors and our opinion on the consolidated Financial Results, in so far as it relates to the amounts and disclosure included in associate company is based on solely on such audited financial statement.

Our opinion on the consolidated financial statements, andour report on Other Legal and Regulatory Requirementsbelow, is not modified in respect of the above matterswith respect to our reliance on the work done and financialstatements are certified by the Board of Directors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidatedfinancial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c. The Consolidated balance sheet, the Consolidatedstatement of profit and loss (including other comprehensive income), the Consolidatedstatement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors of the company as on March 31, 2025 taken on record by the Board of Directorsof the company and its associate, none of the directors of the company and its associate is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Companyand the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

g. With respect to the other matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company and its associate to its directors during the current year is in accordance with the provisions of Section 197 of the Act.

h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations as at March 31, 2025 on its financial position in its Consolidated financial statements of the company.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

iv. a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

i. The company has not declared any dividend during the year under audit.

j. In our opinion and according to the information and explanations given to us, The Company has implemented accounting software with audit trail (edit log) feature, from January 1, 2025 onwards during the financial year 2024-25.

However, for the period from April 1, 2024 to December 31, 2024, the accounting software used by the Company did not have the audit trail (edit log) feature, and accordingly, the Company was not in compliance with the requirements of Rule 11(g) for that period.

For the period from January 1, 2025 to March 31, 2025, based on our examination of the audit trail maintained, we did not notice any instance of tampering of the audit trail during that period.

In our opinion and according to the information and explanations given to us, the associate company has used software for maintaining its books of accounts and the said software does not have audit trail (edit log) feature and as such there is no question of maintaining of audit trail (edit log) feature and tampering thereof.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its associate included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO.

Annexure -A to the Independent Auditor's Report**Report on the internal financial controls with reference to the aforesaid
Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section
143 of the Act**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting of Vraj Iron and Steel Limited (the "Company") (Formerly Known As Vraj Iron and Steel Private Limited & Phil Ispat Private Limited) and its associate which are companies incorporated in India, as of that date.

Management's Responsibility

The Respective Board of Directors and management of the Company and its associate, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company and its associate, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company and its associate considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements****A. Corporate Information**

Vraj Iron and Steel Limited (Formerly Known As Vraj Iron and Steel Private Limited & Phil Ispat Private Limited) ("Company") is domiciled and incorporated in India. The registered office is situated at First Floor, Plot No. 63 & 66, Ph No. 113, Mother Teresa, Ward No. 43, Jalvihar Colony, Raipur, and Chhattisgarh - 492001. The Company is into manufacturing of Sponge Iron, M S Billet and TMT Bars. It also has a power plant which generates electricity for captive consumption. The Consolidated Financial Statements of the Company and its associates for the year ended March 31, 2025 were approved and authorized for issue by board of directors in their meeting held on May 27, 2025.

The Company has completed its Initial Public Offer (IPO) being 100% fresh issue of 82,60,869 equity shares of face value of INR 10 each. Pursuant to the IPO, the equity shares of the Company were listed on National Stock Exchange of India Limited (NSE) and BSE Limited (BSE) on July 3, 2024.

B. Significant Accounting Policies**B.1 Basis of preparation and presentation**

Consolidated Financial Statements have been prepared on the historical cost convention and accrual basis except for the following:

- certain financial assets and liabilities including derivative instruments measured at fair value
- defined benefit plans - plan assets measured at fair value

The Consolidated Financial Statements have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013, (as amended from time to time) and Presentation and disclosure requirements of Division II of Schedule III to the Companies Act, 2013(Ind AS Compliant Schedule III) as amended from time to time.

The Company's consolidated Financial Statements are presented in Indian Rupees (₹), which is also its functional currency and all values are rounded in millions with two decimal places, except when otherwise stated.

B.2 Current and Non-Current Classification

The Company presents assets and liabilities in the Consolidated Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is:—

- Expects to be realise or intends to be sell or consume in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements**

All other assets are classified as non-current.

A liability is current when: -

- It is expect to be settle in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets or liabilities.

B.3 Use of estimates

The preparation of the consolidated financial statement is in conformity with Ind AS requiring management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the grouping disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the consolidated financial statement were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognized in the year in which the estimates are revised and in any future year affected.

B.4 Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company i.e. its associates. It also includes the Group's share of profits, net assets and retained post acquisition reserves of associates that are consolidated using the equity or proportionate method of consolidation, as applicable.

Control is achieved when the Company is exposed to, or has rights to the variable returns of the entity and the ability to affect those returns through its power to direct the relevant activities of the entity.

The results of associates acquired or disposed off during the year are included in the Consolidated Statement of Profit and Loss from the effective date of acquisition or up to the effective date of disposal, as appropriate.

Wherever necessary, adjustments are made to the financial statements of associates to bring their accounting policies in line with those used by other members of the Group. No adjustment with respect to different depreciation method and useful life applied by Vraj Metaliks Private Limited, the only associate company (as detailed in Note 1- C.1), is made due to the nature of complexity involved.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements****B.5 Investment in associates**

Associates are those enterprises over which the Company has significant influence, but does not have control or joint control. Investments in associates are accounted for using the equity method and are initially recognised at cost from the date significant influence commences until the date that significant influence ceases. Subsequent changes in the carrying value reflect the post-acquisition changes in the Company share of net assets of the associate and impairment charges, if any. When the Company share of losses exceeds the carrying value of the associate, the carrying value is reduced to nil and recognition of further losses is discontinued, except to the extent that the Company has incurred obligations in respect of the associate. Unrealised gains on transactions between the Company and its associates are eliminated to the extent of the Company interest in the associates, unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred and where material, the results of associates are modified to confirm to the Company accounting policies.

C. Summary of significant accounting policies**C.1 Property, Plant and Equipment**

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the asset to the location and condition necessary for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately. Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress.

Spare parts, procured along with the related Plant & Machinery or subsequently, if capitalized and added in the carrying amount of such item is depreciated over the residual useful life of the related plant and machinery or their useful life whichever is lower. Stand-by equipment and servicing equipment which meet the definition of property, plant and equipment are capitalized and others are carried as inventory and recognized in the income statement on consumption.

If significant parts of Property, Plant and Equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. The cost of replacing part of an item of property, plant and equipment or major inspections performed, are recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the item will flow to the Company and its cost can be

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements**

measured reliably. The costs of all other repairs and maintenance are recognized in the Consolidated Statement of Profit & Loss as and when incurred.

Gains and losses on disposal/ derecognition (when no future economic benefits are expected or the same is held for sale) of a Property, Plant and Equipment are determined by comparing net disposal proceeds/ fair value (less estimated cost of sale) with the carrying amount of property, plant and equipment. These are included in profit or loss within other gains/ losses.

Residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively.

Depreciation has been provided on written down method on useful life assigned to each asset in accordance with Schedule II of the Companies Act, 2013, on a pro-rata basis by the Company.

Different Accounting Policy of Vraj Metaliks Private Limited “an Associate company”

Depreciation has been provided on straight line method on useful life assigned to each asset in accordance with Schedule II of the Companies Act, 2013, on a pro-rata basis. Bought out, used Sponge iron plant and machinery is considered having useful life of 13 years.

C.2 Investment Properties

Property held to earn rentals or for capital appreciation or both, rather than for use in the production or supply of goods or services or for administrative purposes are covered herein. Property held for sale or for sublease are not classified as investment Properties. Investment properties are measured at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable in bringing the asset to the location and condition necessary for its intended use. Investment properties are depreciated on straight line method on prorata basis at the rates specified therein. Subsequent expenditure including cost of major overhaul and inspection is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits associated with the item will flow to the Company and the cost of expenditure can be measured reliably. Fair Value of investment properties shall be disclosed, otherwise proper explanation shall be provided.

C.3 Intangible Assets

Intangible Assets are recognised, when it is probable that associated future economic benefits would flow to the Company, having definite useful lives (subsequent to initial recognition). It is reported at cost less accumulated amortisation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use, but excludes trade discount, rebate, recoverable taxes.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at the end of each reporting period and adjusted prospectively, if appropriate. Useful life of Computer Software is estimated to be 6 years.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements**

An Intangible asset is derecognized when no future economic benefits are expected to arise from the continued use of the asset or upon disposal. Any gain or loss on disposal/ de-recognition is recognized in the Consolidated Statement of Profit &Loss.

C.4 Capital work in progress

Projects under which assets are not ready for their intended use are carried at cost, comprising direct cost, related incidental expenses, expenditure in relation to survey and investigation and attributable interest. Such expenditure is either capitalized on completion of the project or the same is expensed in the year in which it is decided to abandon such project.

C.5 Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset.

A lease is classified on the inception date as a finance or an operating lease. Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases.

The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability.

The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

Leases under which substantially all the risks and rewards of ownership are not transferred to the Company are classified as operating leases. Lease payments under operating leases are recognized as an expense on a straight line basis in the Consolidated Statement of Profit and Loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements**

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

C.6 Inventories

Cost of raw material, finished goods/ work in progress, Stores are measured at lower of cost or net realisable value after providing for obsolescence, if any, whereas by-products are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads (net of recoverable taxes) incurred in bringing them to their respective present location and condition. Costs includes all expenses incurred in bringing the inventories to their present location and condition.

Cost of finished goods/ work in progress is determined on weighted average basis. Cost of inventory is assigned using FIFO. Cost of opening and closing stock excludes taxes that are subsequently recoverable from taxing authorities.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

C.7 Financial Instruments**C.7.1 Financial Assets****C.7.1.1 Initial Recognition and Measurement**

All Financial Assets are initially recognised at fair value and transaction costs. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, are adjusted to fair value and balance is expensed in the Consolidated Statement of Profit and Loss. Purchase and sale of Financial Assets are recognised using trade date accounting.

C.7.1.2 Subsequent Measurement**C.7.1.2.1 Financial Assets measured at Amortised Cost (AC)**

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise to cash flows on specified dates that represent solely payments of principal and interest on the principal amount outstanding.

C.7.1.2.2 Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

C.7.1.2.3 Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements**

applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

C.7.1.3 Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Consolidated Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'. However, dividend on such equity investments is recognised in Consolidated Statement of Profit and Loss when the respective Companies right to receive payment is established.

C.7.1.4 Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For Trade Receivables the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables.

The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Consolidated Statement of Profit and Loss.

C.7.2 Financial Liabilities**C.7.2.1 Initial Recognition and Measurement**

All Financial Liabilities are recognised at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Consolidated Statement of Profit and Loss as finance cost.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements****C.7.2.2 Subsequent Measurement**

Financial Liabilities are carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

C.7.3 Derecognition of Financial Instruments

The Company derecognises a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a financial liability) is derecognised from the consolidated financial statement when the obligation specified in the contract is discharged or cancelled or expires.

C.7.4 Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

C.7.5 Derivatives

The Company uses derivative financial instruments such as forward currency contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to the Consolidated Statement of Profit and Loss.

C.8 Fair value measurements of financial instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including Discounted Cash Flow Model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair value. Judgements include considerations of inputs such as liquidity risks, credit risks and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Further details are set out in note 39.

C.9 Impairment of Non-Financial Assets

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or Company of Assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements**

possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Consolidated Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets. After impairment, depreciation or amortization is provided on the revised carrying amount of the assets over its remaining useful life.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

C.10 Provisions, Contingent Liability and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made. Contingent liabilities are not recognized but are disclosed in notes.

Contingent Assets are disclosed by way of a note only if inflow of economic benefits is probable.

C.11 Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. When the grant relates to revenue, it is recognised in the Consolidated Statement of Profit and Loss on a systematic basis over the periods to which they relate. When the grant relates to an asset, it is treated as deferred income and recognised in the Consolidated Statement of Profit and Loss by way of deduction from depreciation expense on a systematic basis over the useful life of the asset.

C.12 Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand, cash at banks, short-term deposits and short-term highly liquid investments (with a maturity within three months or less from the

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements**

date of purchase) that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

C.13 Earnings per share

Basic earnings per share is computed by dividing the Net Profit or loss after tax for the year attributable to equity holders by the weighted average number of shares outstanding during the year. Partly paid-up shares are included as fully paid equivalents according to the fraction paid-up. Diluted earnings per share is computed using the weighted average number of shares and dilutive potential shares except where the result would be anti-dilutive.

C.14 Borrowing costs

Borrowings costs directly attributable to the acquisition, construction or production of qualifying assets, assets that takes substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for the intended use or sale.

C.15 Foreign currency transactions and translation

Consolidated Financial statements are presented in ` , which is the functional currency of the Company and the presentation currency. Transactions in currencies other than the functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at the end of the reporting period. Non-monetary items carried at fair value that are denominated in foreign currencies are re-translated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated. Exchange differences arising on the retranslation or settlement of other monetary items are included in the Consolidated Statement of Profit and Loss for the year.

Income and expense items are translated at the average exchange rates for the period. Exchange differences arising, if any, are recognised in other comprehensive income and accumulated in a separate component of equity. Goodwill and fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing rate.

C.16 Revenue recognition

Revenue from sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of return, trade discounts and volume rebates. Revenue is recognized when the control over the goods have been transferred to the buyer, recovery of the consideration is probable, the associated cost and possible return can be estimated reliably and there is no continuing effective control or managerial involvement with, has not retained any significant risks of ownership or future obligations with, the goods, and the amount can be measured reliably.

Revenue from rendering of services is recognised over time by measuring the progress towards complete satisfaction of performance obligations at the reporting year.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements**

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional. Due to the short nature of credit period given to/ advance received from customers, the same does not require adjustment of financing component and hence not accounted separately.

C.17 Other income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition. Interest income is included in other income in the consolidated statement of profit and loss. Lease payments under operating leases are recognized as an income on a straight-line basis in the Consolidated Statement of Profit and Loss over the lease term except where the lease payments are structured to increase in line with expected general inflation. The respective leased assets are included in the balance sheet based on their nature. Dividend Income is recognised when the Company right to receive the amount has been established.

C.18 Employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

The Company participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service. Under a defined benefit plan, it is the Company obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company.

Defined Contribution Plan:Contribution to Provident fund and Employee State Insurance are accounted for on accrual basis.

Defined Benefit Plan:Leaves cannot be carried forward to next year and the same is either availed or encashed at the year end. Actuarial gains or losses on gratuity are recognized in other comprehensive income. Profit or loss does shall not include expected return on plan assets. Net interest recognized in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognized as part of re-measurement of net defined liability or asset through other comprehensive income.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements**

Remeasurements comprising actuarial gains or losses and return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are not reclassified to profit or loss in subsequent periods.

C.19 Research and Development Expenses

Research and Development Expenses of revenue nature are charged to the Consolidated Statement of Profit and Loss.

C.20 Taxes

The tax expenses for the period comprises of current tax and deferred income tax. Tax is recognised in Consolidated Statement of Profit and Loss, except to the extent that it relates to items recognised in the Other Comprehensive Income. In which case, the tax is also recognised in Other Comprehensive Income.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date and it includes adjustment to tax payable in respect of previous years.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Consolidated Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax losses can be utilised. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

C.21 Statement of Cash flows

Statement of Cash flows are prepared in accordance with "Indirect Method" in accordance with Ind AS – 7 consisting of operating, investing and financing activity of the company.

C.22 Segment Reporting

Identification of Segments: The Company operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit. Segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

Segment Accounting Policies: The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements as a whole.

Inter-Segment Transfers: The Company generally accounts for intersegment transfers at an agreed transaction value.

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements**

Unallocated Items: Unallocated items include general corporate income and expense items which are not allocated to any business segment.

C.23 Loans and borrowings

Loans and borrowings are initially recognized at fair value net of transaction costs incurred. Subsequently, these are measured at amortized cost using the effective interest rate ('EIR') method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Consolidated Statement of Profit and Loss.

C.24 Trade and other payables

These amount represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the EIR model.

C.25 Onerous Contracts

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at lower of the expected cost of terminating/exitting the contract and the expected net cost of fulfilling the contract.

C.26 Other Accounting Policies

Accounting policies are referred to otherwise are consistent with generally accepted accounting principles.

C.27 IND-AS Standards issued but not yet effective

The Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA issued the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:-

Ind AS 1 – Presentation of Financial Statements: The amendments require companies to disclose the material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors: The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop

VRAJ IRON AND STEEL LIMITED**NOTE 1: Forming Part of consolidated financial statements**

accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty.

Ind AS 12 – Income Taxes: The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences.

Company does not expect that these amendments shall have significant impact in the consolidated financial statements.

38 Financial Risk Management Objectives and policies

The companies' financial liabilities, other than derivatives, comprise borrowings, capital creditors and trade and other payables. The main purpose of these financial liabilities is to finance the company operations. The company financial assets include trade and other receivables, cash and cash equivalents, investments and deposits.

The management ensures that risks are identified, measured and managed in accordance with Risk Management Policy. The Board of Directors also review these risks and related risk management policy.

The market risks, liquidity risks and credit risks are further explained below:

a Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include investments, trade payables, etc.

b Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The group companies' exposure to the risk of changes in market interest rates relates primarily to the debt obligations. The group manages its interest rate risk by having a balanced portfolio of borrowings and equity.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on loans and borrowings affected. With all other variables held constant, the group's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Changes in basis	Borrowings	Effect on
	points	as at	profit before tax
%			
As at March 31, 2025	50	7.10	0.04
	(50)		(0.04)
As at March 31, 2024	50	616.95	3.08
	(50)		(3.08)

c Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The group's exposure to this risk is not there as there are no foreign currency transactions undertaken.

d Equity price risks

The company invests only in related companies which is a part of long term business planning and is strategic in nature. There is no other investment and hence there are no equity price risks exposure to the company.

e Credit risks

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables).

Trade receivables

Maximum exposure to the credit risk is on account of outstanding balances in the trade receivables account. But as per experience, the ageing of debtors is always kept less than six months and there are no bad debts encountered in past hence the risk is almost negligible. Credit Risk is managed by the company by monitoring their credit worthiness of customers, credit policies and deploying efficient resources for collection.

39 Capital management

For the purpose of Capital management, capital includes issued equity capital, and all equity reserves. Its primary objective is to maximise shareholders' value.

The company manages its capital structure and makes adjustment in light of changes in economic conditions and the requirements of financial covenants. Company monitors capital using a gearing ratio which is Debt divided by equity wherein debt includes all borrowings and lease liabilities.

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Total Debt	22.81	632.67
Total Equity	3,969.30	2,003.35
Debt Equity Ratio	0.01	0.32

There have been no breaches in the financial covenants of any interest bearing loans and borrowings.

No changes were made in the objectives, policies or processes for managing capital during the above period.

B Fair Values Hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are classified into three Levels of a fair value hierarchy. The three Levels are denied based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

43 Lease Disclosure
a As Lessor:

Company has not given any assets under any lease arrangement.

b As Lessee:

At inception of contract, company assesses whether the contract contains lease or not, ie it contains the right to control the use of any specific asset for a specific period of time in exchange of consideration.

Company recognises Right to Use assets and Lease liabilities at the inception of lease agreement. The right of use (ROU) is measured at cost which comprises of the initial amount of lease liability adjusted for any lease payments made at or after commencement date. The Right of use is subsequently amortised at straight line basis over the term of the lease.

Lease liability is initially measured at the present value of the lease payments that are not paid at commencement date, discounted using the company's incremental borrowing rate.

Company has elected not to recognise lease of less than 12 months and also of cases wherein monthly lease payment is of less than ₹ 0.01 million.

Incremental borrowing rate applied to lease liability is 10%.
